

# HOME & SCHOOL

Maplebrook Elementary School

August 2024

Hello Wildcat Families!

If you are brand new to Maplebrook Elementary School: Welcome! If you are a returning Student and Family we also welcome you and invite you to continue to learn about all the amazing resources and opportunities for connection that the Maplebrook Home & School Association provides.

What an exciting time in the life of your Student and Family! Please allow me to introduce the Maplebrook Home & School Association (H&S): a group of Parents, Guardians and Caregivers passionate about supporting our children's education through volunteering, fundraising, and community building. The funds we raise provide field trips, assemblies, class holiday parties, year-end activities, birthday books, classroom enhancements, and so much more!

There is no way we could do so many great things without all of you taking an active role in H&S. The Executive Board works closely with the Maplebrook School administration to provide opportunities for you to volunteer inside the school, which builds community, and allows you to connect with the Staff, School and your Child.

Whether you have thirty minutes or a few hours to work on H&S projects and events, we welcome you to join us! Please know that your ideas, time, talents, and voice are needed, welcomed and encouraged at Maplebrook's H&S.

There are many ways to get involved, so please check out our **2024-2025 Volunteer Information** flier. You can sign up to join your favorite committee(s) on or around **August 16th** via a Sign-Up Genius link found on Maplebrook's H&S Facebook page. Committee chairpersons will contact volunteers as they begin planning their event/program.

In the meantime, here are some great ways to stay connected:

1. Check out our official website: [MaplebrookHSA.com](https://www.maplebrookhsa.com)
2. Follow **@MaplebrookHSA** on Facebook & Instagram
3. Make plans to attend our monthly **H&S General Meetings**. All parents are welcomed and encouraged to attend. Upcoming dates/times can be found on our website [www.maplebrookhsa.com](https://www.maplebrookhsa.com)

Please don't hesitate to contact me at **maplebrookHandS@gmail.com** with any questions. I look forward to meeting you around the neighborhood or at Maplebrook this upcoming school year!

Jillian Langer  
Maplebrook Home & School Association President
