

# **NNHS DAILY ANNOUNCEMENTS**

**Monday, September 29, 2025**

## **Monday Moment**

Hey Huskies, Here's your Monday Moment from Student Services: I can handle challenges one step at a time. Big problems feel smaller when you break them into steps. Focus on the next right thing instead of the whole mountain. Remember, your Student Services team is here to help. Have a great week!

## **Investment Club**

Hey Huskies, join our school's Investment Club and learn how to build a stock portfolio. No experience needed. We learn the market together, explore financial skills, and compete in the Stock Market Game while building future investors. Join us every other Tuesday morning at 7:15 in room 183! Our first meeting is Tuesday, September 30th.

## **UNICEF**

Are you interested in helping children in need globally? Are you interested in earning service hours? Please join us for UNICEF Club, which meets on Mondays at 3:15 in room 173. Treats will be provided!

## **Ski and Snowboard Club**

Hey skiers and snowboarders! Our next meeting will be on October 2nd at 7:15 in room 121. We will review upcoming trip dates, discuss ordering club merch, and turning in club fees. Make sure you don't miss this important info about the season. We can't wait. See you there! Reach out to Mr. Adams if you can't make the meeting!

## **SCMC Club**

Looking to make a difference? Join SCMC – Students Committed to Making a Change! SCMC gives you the chance to step up with initiatives and bring them to life through volunteering. If you're ready to turn good ideas into real change, all while earning potential service hours, come check us out! Our next meeting will be this Tuesday at 7:15 in room 147.

## **Girls Who Code**

Hey Huskies! Girls Who Code Club is meeting after school on Monday from 3:20 to 4:30 in the LC Glass Classroom. We'll have snacks, fun activities, and a chance to learn together. No coding experience necessary! Bring your friends and come hang out—we'd love to see you there!

## **AI Club**

Are you interested in Artificial Intelligence and cutting-edge technology? Join our new AI Club! Our first meeting is on Tuesday, September 30, at 3:30 PM in Room 246. Come learn, explore, and create with AI. All skill levels welcome.
