- 8. Principal's Report: Jon Vogel
 - a. Focus 203: Community engagement opportunity regarding the school day initiative.
 - i. Junior High: We currently have the lowest number of minutes for math in the state, want to add to that, almost doubling math minutes and providing two electives instead of one, BCO (band, choir, orchestra) would have its own slot instead of pulling kids out of other classes. This would be more of a block schedule, both ELA and Math would be two periods, then Social Studies and Science would be one block that would alternate, so one day double Social Studies the next day Science.
 - 1. Looking at our comparable districts, D203 was still highest in ELA and Math scores.
 - ii. Equalizing teacher work minutes across the grades. They are entering negotiations with the union to work that out.
 - iii. Proposing to change start times at the different levels, which involves working out transportation with bus routes.

- iv. The idea is to start this for the 2025-26 school year, lots of things up in the air with regards to staffing, possibly needing more math teachers due to the increase in math minutes.
 - b. Open House: Wednesday, February 19th, 6:30pm-8pm. Kids and parents are able to attend together. Book Fair will be going on at that time.
 - c. Sports
 - i. Wrestling won A and AA overall, two seasons in a row. Mike Nutt and Tim Panega are the coaches
 - ii. Cross County won
 - iii. Flag football won
 - iv. We have great coaches.
 - d. Month of Love in February.
 - i. February is kind of a down month for staff and students so every week there are activities.
 - e. 8th Grade Dates
 - i. Boat trip is May 19th
 - ii. Moving on May 22nd
 - iii. Talent show May 23rd
- 9. Committee Reports
 - a. Verbal reports
 - i. **Lost and Found:** New system, blue and white. One week everything is tagged blue, next week new stuff is tagged white, third week anything blue is donated and so on.
 - 1. Found a new organization that will pick up the items, wash them and donate them to kids in need in the city.
 - b. Written reports
 - i. **Staff Appreciation:** We celebrated our SRO Neil Desmond on January 9th with a gift as well as donating to the Clay Carns Memorial Foundation in honor of his brother-in-law who passed away in December.
 - ii. **Winter Staff Gift Cards:** This was the first time we organized this before winter break and it was a big success. There was much positive feedback from the staff and families. We will be continuing this at the end of the school year. We do need a co-chair for this committee.
