Grading Practices

- In Infinite Campus, a score of “Missing” (M) will indicate an assessment has not been turned in and the comments section will include a specific date by which students can still submit. After that date, a zero (0) will be recorded.
- Work submitted after the original due date cannot be penalized more than a total of 10% and must be submitted no later than one week (5 school days) after the original due date.
- If a legitimate attempt is made on an assessment and the practice work has been completed, a score of 50% will be the lowest possible grade.
- Violations of the academic integrity policy will be consequence by the administration in collaboration with the department chair/teacher.
- All assessments must be shared in Google format with editing permissions AND submitted to Canvas (unless otherwise directed) or they will not be accepted.

Reassessment Policies

The purpose of reassessment is to allow students to demonstrate proficiency of course standards in which they remain deficient. Instructors can initiate the reassessment process when a student scores below 85% and one of the following scenarios applies:

- Practice work is not eligible for reassessment.
- Evidence of Learning work may be eligible for reassessment. Refer to the chart below for eligibility:

<ul style="list-style-type: none"> • The assessment included multiple opportunities for feedback and improvement in the process for the final product OR formative assessments are aligned to standards, allow students to practice in the same assessment format, and gain feedback for improvement before the summative assessment. 	<ul style="list-style-type: none"> • There was timely and consistent completion of practice work and formative assessments. • A one-time performance on an assessment does not reflect the student’s level of proficiency leading up to the assessment. • Summative assessment score is below 85%.
Not eligible for reassessment	Eligible for reassessment if all three statements above are true.

Reassessment Parameters:

- The reassessment opportunity will require designated learning experiences that demonstrate readiness as assigned by the teacher.
- Reassessments MUST be completed within 5 school days of the student receiving feedback unless otherwise determined by the instructor. The reassessment deadline should be communicated in an IC comment.
- The final reassessment score will be capped at 85%.

- Infinite Campus is a tool to progress monitor student work until final course grades are posted.
- Monthly progress grades are posted and represent the current grade of a student in the course at that moment in time.
- Discuss missing assignments, reiterate due dates, help organize folders, materials, assignment notebooks, and review upcoming projects and assessments.

Academic Integrity

District 203 students are challenged to address the academic process enthusiastically, diligently, and most importantly, honestly. It is the responsibility of our students, teachers, and administration to uphold the fundamental academic values of honesty, responsibility, fairness, respect and trust. The integrity of our district's academic programs is built upon these principles.

Academic integrity violations include cheating, plagiarism, self-plagiarism or copy infringement, obtaining or providing an unfair advantage, using a writing service and/or AI in place of original work unless specifically authorized by staff, falsification of documents, unauthorized access to records, and inappropriate collaboration, whether intentional or unintentional. The classroom teacher and administration will collaborate and exercise professional judgment in determining academic integrity violations.

Plagiarism

What is it?

The taking of another person's ideas and passing them off as your own.

When am I guilty of plagiarism?

Whenever using someone else's ideas (while speaking, writing, direct quoting, or paraphrasing) and not crediting that person for their ideas/words, whether it was done INTENTIONALLY OR THROUGH CARELESSNESS.

Self-plagiarism: Submitting identical or substantial portions of similar work for credit more than once, without prior explicit consent from the instructor

What happens when I am caught plagiarizing?

LEVEL ONE: Plagiarizing practice work (daily homework, etc.)

CONSEQUENCES: Referral, parent contact, detention, letter placed in discipline file

LEVEL TWO: Plagiarizing Evidence of Learning work (essays, exams, etc.)—a level two violation consequence will be issued if you have multiple level one violations.

CONSEQUENCES: Referral, parent contact, detention, letter placed in discipline file, academic consequence, notification to honor societies, class level change, etc.

LEVEL THREE: Theft, sale, or distribution of materials that can be used to gain an unfair advantage or falsify a grade—a level three violation consequence will be issued if you have multiple level two violations.

CONSEQUENCES: All level two consequences apply in addition to suspension or expulsion from school. The consequence will be determined during a meeting with the dean, teacher, parent, and student.

D203 AI Belief Statement

At Naperville North High School, we strive to build a learner's mindset in all students, developing qualities such as adaptability, communication, critical thinking, and global citizenship. Generative Artificial Intelligence (AI), offers new opportunities to engage with important technology relevant to the future that also raises significant educational considerations. AI tools provide unique ways to engage students in the learning process, hence we encourage our staff to guide students in using AI responsibly. Teachers have the authority to establish guidelines for AI use in their classrooms, setting clear expectations for how AI can be used on learning tasks. Concurrently, we recognize that reliance on AI risks replacing genuine student engagement and original thought, undermining the attributes we aim to cultivate. Striking a balance between leveraging AI tools effectively and maintaining educational standards is crucial to the learning experience of each student.
