

## Report of Children of U.S. Military Personnel

Section 22-70 of the School Code [105 ILCS 5/22-70] requires school districts to gather and report information about students whose parent or guardian is serving in the U.S. military and is, or expects to be, deployed to active duty during the current school year.

To comply with this requirement, a parent or guardian is asked to state whether he or she is a member of a branch of the United States armed forces and is either deployed to active duty or expects to be deployed to active duty during the school year.
