

**Ladies and Gentlemen**

**We hope you have a summer filled with new adventures and periods of reflection and relaxation. You should have received an invitation to a Canvas course titled “*APUSH Summer Work 2020*”. Please log into your Canvas account and accept this invitation ASAP. If you did not receive this course invitation, please email me at [rplatt@naperville203.org](mailto:rplatt@naperville203.org) and provide your School ID # so that I can add you to the course immediately.**

**In order to hit the ground running next fall, we ask that you read the first (3) chapters of *America: A Narrative History by David Emory Shi* sometime before the fall semester begins on Wednesday August 19th. These chapters and the extended response questions that accompany them will be located in Canvas under *Modules*. The extended response questions serve the purpose of allowing us to reach a deeper understanding of the essential points in American History. Additionally, they allow us the opportunity to practice the craft of historical writing so important to this course. Check Canvas periodically throughout the summer for new information regarding the fall semester as well as updates on current events, etc. In the meantime, take care of yourselves and be well:)**
