

Naperville North Booster Club – 2022-2023

JOIN the NNHS BOOSTER CLUB BY SELECTING YOUR PREFERRED MEMBERSHIP LEVEL ON YOUR STUDENT'S FEE SHEET

(Pay using the districts online payment processing system or by check, turning it in during the regular school registration process)

Note: If you have multiple children participating in different clubs, activities, or sports, you only need ONE family membership and do not need to have one for each student. So only mark your selection and pay the fee once during the registration process.

Questions? email: nnhsboosters.membership@gmail.com

The Who, What and How

Who Are We? We are a volunteer group of Naperville North parents that support ALL students of Naperville North High School through our volunteer hours and fundraising efforts.

What Do We Do? We raise approximately \$100,000 per year which we give back to the various clubs, organizations and teams to enrich the experience for our children, as well as providing funds for targeted capital improvement projects throughout the high school.

How Do We Do This? Through membership dues (collected during school registration) and our fundraising events, such as fall trivia night, senior fashion show, and our summer golf outing. We also raise additional funds through indoor/outdoor concession stand sales, spirit wear sales, athletic program sales, and the NNHS spirit yard signs program.

Booster Club Membership Levels (July 1st 2022 - June 30th, 2023)

- **Basic Huskie** -- \$40 - you receive a booster club sticker and license plate cover - these must be picked up at registration in August (please have receipt available).
- **Alpha Dog** -- \$90- booster sticker, license plate cover, and permit only preferred parking at home varsity football games.
- **Top Dog** -- \$300-booster sticker, license plate cover, permit only preferred parking at home varsity football games, and published recognition in our fall, spring and winter programs.

****Parking passes will be picked up at registration in August (please have receipt available for proof of purchase)***

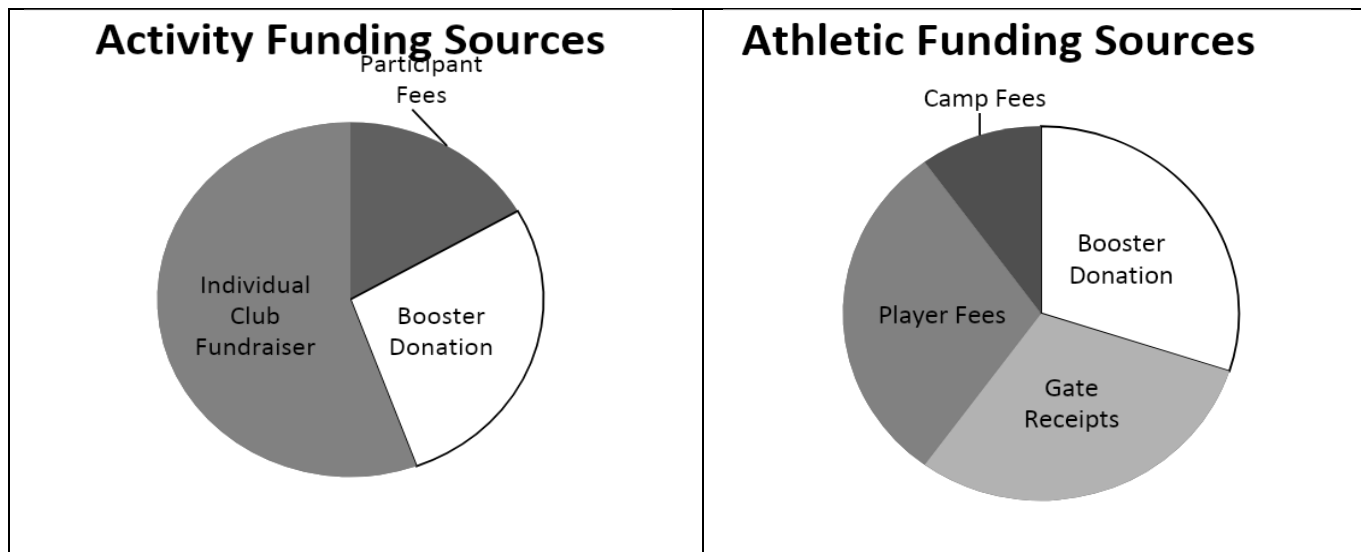

Additional notes:

- If your child will be part of an extracurricular program sponsored through the Activities Office or Athletic Department at any time during the year, not just in the fall, we encourage you to sign up NOW instead of waiting for your winter or spring activity to start, making the process easier. For freshman families who are unsure, there will be a collection process in place at the start of the season.
- Activities and athletic groups that achieve a 90% membership level will be exempt from door to door booster club fundraising and be eligible to receive booster club funds in the spring. Consideration will be given for students and families who require financial support. Please reach out to the Activities or Athletic Office if you have any questions.

Where Booster Membership and Fundraising Money Goes...

Why Boosters are important to everyone...

Unlike many traditional Booster organizations, we do not limit our support solely to athletics, instead **our goal is to support the entire student population** through these three areas, contributing to large capital improvement projects at the high school, coordinating and providing volunteers to support multiple events and activities throughout the year, as well as providing financial support to most school sponsored activities/clubs and athletic teams.

Examples of ways we support your NNHS Student

Capital Improvements	Uniforms	Equipment	Instruments
Courtyard improvements	Show Choir	Scholastic Bowl Materials	Marimba
Stadium and Contest Gym Video	Dance	Robotics equipment	Drums
Cameras for live streaming	Basketball	Tennis nets	Sousaphones
