Huskie Families,

I hope everyone is ready for the exciting final weeks ahead and enjoyed a relaxing Memorial Day weekend! Please check out the important information on material drop-off, 2021-2022 course selection verification, senior parking reminder and more in this week's Howler.

This week is dedicated to our seniors but all students are invited to one of Naperville North's biggest traditions tomorrow night – Airband! You have to see it to believe it. All students are invited to attend our big event, outdoors in the West Lot, tomorrow night at 8PM. See you there!

Current and rising freshmen are invited to Freshmen and Sophomore Jamboree on Monday, June 7. Class of 2024 runs from 6-7PM and Class of 2025 runs from 7:15-8:15PM. This is a terrific opportunity to learn about and connect with all of the clubs and teams at NNHS! We strongly encourage all students to get involved. Don't miss it.

Finally, here are a few items related to Sunday's Graduation. We are excited to announce that each graduate will be receiving 4 tickets for the outdoor event (previously 2). If the event moves indoors, only 2 tickets can be honored due to space restrictions. It looks like it is going to be pretty hot on Sunday. We ask that spectators dress in cool clothing and bring cold drinking water to safely manage the heat.

Make it an awesome week!

Jay Wachtel

Thank you! On behalf of the Home and School Association, I'd like to thank and congratulate the entire Senior Celebration Committee, the hundreds of parent volunteers, the administrative staff, the custodial staff and all the donors who supported a very successful Senior Celebration last Sunday! We could not have pulled off such a feat without all of your assistance! Special thanks go to Kim Henderson and Kelly O'Malley, Co-Chairs of Senior Celebration, who have been busy since last May planning and pivoting plans multiple times throughout a very unpredictable environment. We are also very appreciative of the unwavering support from Nandini Asar, Jen Baumgartner and Lynne Kallstrand who helped make this night an event our Seniors will cherish forever after such a challenging year. Mother Nature was also very kind to provide the perfect weather that we ordered. Lastly, we would like to congratulate our Class of 2021 on their impending graduation and for their resilience, endurance and perseverance during the past year. We wish the best of luck to each and every graduate in their post-graduation plans!
