

Third-Party Scholarship Websites

In the fall of their senior year, students can begin looking for scholarships in SchoolLinks. Local & targeted opportunities that we are made aware of will be posted in the **Finances** section of SchoolLinks, under the Scholarships heading.

Outside of SchoolLinks, there are other sites that previous Naperville North students have used, with success. Those include:

- [Unigo](#)
- [FastWeb](#)
- [Discover](#)
- [CollegeBoard](#)

Naperville North High School (including Student Services and the College & Career Center) and District 203 do not endorse any of the above third-party websites. We are providing them here as a starting point/resource for students & families, if they would like to use them.

A couple quick tips if you decide to use any of the above websites:

- You do not need to sign-up for any/all of these sites. If you decide to utilize these resources, we recommend choosing one – so not to be overwhelmed & to prevent overlap of scholarship opportunities.
- If it sounds too good to be true, it probably is. The more work a scholarship requires of a student, the more legitimate they tend to be.
- We strongly recommend creating a separate email address to use for applying to colleges/scholarships. Inevitably, student information is repurposed – by using a separate email address, it will prevent clutter in your main inbox, and give you focus & purpose when checking that dedicated email inbox.
