Good Morning Naperville North Families,

It feels incredibly good to be writing to you as the Principal of NNHS again and preparing for the 21-22 school year! As always, we have so much to share about what is going on with the Huskies, but before we get to the important upcoming events and information for next school year, I'd like to take a moment to talk about us. That's right, us, the team of NN staff and parents who, together, will collaborate to provide our students with a positive, rewarding and quality educational experience this year, in spite of whatever we face. We are, after all, Huskies. We have been taking care of North families for 50 years and will continue to create an atmosphere where we pull together to support all students in growth and leadership. I know we are coming out of a year that none of us expected, nor immediately had the background knowledge to understand and manage, but we still developed and moved forward as Huskies always do. This year will be no different. Whatever celebrations and challenges come our way, we will be united as a Naperville North school community in them. Honestly, I plan to overcommunicate with you this year, keeping you informed of what is happening at North and where we will need your assistance with helping all students reach their potential. We will need to be a strong, positive force, collectively supporting our students, your children, in navigating a new school year that I know they are all looking forward to. As am I! I will never again take for granted that I can walk outside my door and hear the cheerful, excited chatter of high school students in the hallway. This year I will cherish this gift each day. My promise to you from myself and my extremely talented and dedicated staff is

that we will work our hardest, together with you, to provide an environment for students to flourish and grow. Please reach out to me if you have any questions and I look forward to serving you and your families again this year.

Sincerely,

Stephanie Posey

Eco Clean Fundraiser for the Family Connection Program: Family Connection provides assistance to NNHS community families that are facing hardship by providing gift cards to help them meet their essential needs and funding the cost of events for seniors. We are having a fundraiser with Eco Trash Bin Clean <https://ecotrashbinclean.com> to raise the money necessary to fund these causes. Eco Clean will steam, disinfect, and make your trash and recycling bins smell great and Family Connection will get \$5 dollars for each house that schedules a cleaning from now until mid-September.

To schedule a cleaning, text the code "NNHSFamily" along with the name of your town and zip code to 630-352-8022. You will receive a reply text with all of the pricing and routing info for your area.
