Good Morning Naperville North Families,

We are excited to welcome students into the building for registration on Thursday and Friday this week. Students must be present to register. Adults may accompany students but are not required to do so. As a reminder, all students and adults are required to wear a mask at all times in the building.

An additional mitigation strategy for the 21-22 school year will be to expand off-campus lunch privileges to include all students as a temporary allowance. This privilege can be revoked at the discretion of the high school admin team for misbehavior, attendance issues or other concerns. Freshman are expected to participate in their LINK period but will be able to access off-campus privileges during the other days of the week. More information to follow.

Sincerely,

Stephanie Posey
