Good Afternoon Naperville North Families,

The first day of school has almost arrived! I can't wait to see our students on Thursday morning! There is so much valuable information contained below as well as some opening events for students to visit the school and become acquainted with both the building and their peers. It's going to be an outstanding school year. Let's Go Huskies!!

An additional mitigation strategy for the 21-22 school year will be to expand off-campus lunch privileges to include all students as a temporary allowance. This privilege can be revoked at the discretion of the high school admin team for misbehavior, attendance issues or other concerns. Freshman are expected to participate in their LINK period but will be able to access off-campus privileges during the other days of the week. More information to follow.

Sincerely,

Stephanie Posey
