Good Morning Huskie Families,

Welcome to the first full week of school at NNHS! The first two days were a whirlwind of excitement and events. Thank you to those that attended the Blue/Orange scrimmages and performances. It was wonderful to see students doing what they love at school with fans in attendance to watch and cheer.

Just a reminder that this Wednesday is our first late start Wednesday, happening each week, with classes beginning at 9AM. Bus riders will be picked up 100 minutes later than regularly scheduled times. Students should plan to arrive at school after 8:45AM unless scheduled specifically for an earlier time.

This Wednesday is also our annual Open House event. It will be virtual this year with staff zooming with each class according to the schedule for the evening from 6:45 to 8:30PM. Please watch your email tomorrow for the full schedule of zoom links for all staff. Information will also be available on our website tomorrow.

Sincerely,

Stephanie Posey

Free ECG Screening: October 28, 2021

REGISTER your student now for this FREE screening by visiting [Young Hearts for Life](#). Scroll to the bottom and click "I am giving permission for my child." You will then be taken to a page that allows you to complete the registration process. All testing occurs during your student's PE or Health Class time.

Each week, sudden cardiac death claims the lives of more than 60 young adults in the United States. Early identification is key to saving lives. A sports physical will only detect 4% of students at risk for Sudden Cardiac Death (SCD). An ECG can detect 70% of students at risk.

Naperville North High School is partnering with The Young Hearts for Life (YH4L) Cardiac Screening Program, a not for profit organization, to offer electrocardiograms (ECGs) to our students on Thursday, October 28, 2021. This painless, non-invasive screening is FREE to students thanks to the generosity of Edward-Elmhurst Health. In March 2020, 11 abnormal ECGs were detected, and 1920 NNHS students were screened.

HELP NEEDED: Help save a life! We rely on approximately 120 volunteers to make this event a success. Volunteers do not need to have medical experience. Unless recently trained, volunteers are required to attend a brief training program during the evening on Wednesday, October 27th at NNHS.

To VOLUNTEER: Visit <https://signup.com/go/jNMsqxO>. This link will take you directly to the Naperville North volunteer sign up page. Please choose a training slot on Wednesday evening and sign up for a shift on Thursday.

Parents of Juniors and Seniors: Senior Celebration is in jeopardy. Although April 9th seems a long way off, planning starts now. Please consider grabbing a friend (or making a new friend) and leading this group of volunteers for a spectacular celebration of our superhero senior! Contact napervillenorthhands@gmail.com with questions or for more information.

Fall Yard Signs and Bag Tags now available: Show your team/club spirit with a NNHS Booster Club yard sign. Fall signs, name plates, name stickers and bag tags are available now through August 31st. Please go to the Booster webpage at <http://www.nnhsboosters.org> to order.

Eco Clean Fundraiser for the Family Connection Program: Family Connection provides assistance to NNHS community families that are facing hardship by providing gift cards to help them meet their essential needs and funding the cost of events for seniors. We are having a fundraiser with Eco Trash Bin Clean <https://ecotrashbinclean.com> to raise the money necessary to fund these causes. Eco Clean will steam, disinfect, and make your trash and recycling bins smell great and Family Connection will get \$5 dollars for each house that schedules a cleaning from now until mid-September.

To schedule a cleaning, text the code "NNHSFamily" along with the name of your town and zip code to 630-352-8022. You will receive a reply text with all of the pricing and routing info for your area.
