What is Enter with Pride?

The purpose of this event is to introduce freshmen to their Homerooms and classmates. Homerooms are made up of freshmen and upperclassmen leaders who are extremely excited to help students make the transition from middle school to high school as positive as possible. Homerooms will meet twice a week during the school day to help students build relationships, learn how to be a Huskie, and navigate any challenges that occur during the school year. Homeroom is a part of students' schedules and will run during the entire school year.

More detailed information to come in August!
