

# HOME & SCHOOL

Scott Elementary School

Dear Parents and Guardians,

Welcome to Scott Elementary School! Home & School is a parent-led volunteer organization that strives to create a collaborative environment between students, staff, and families. Our goal is to support all of our Scott School Community through frequent communication, volunteer opportunities, and fundraising resources.

Unlike a traditional PTA, with membership fees, our Home & School is open to all Scott School families at no charge. We rely on parent volunteers and are so grateful for our community contributors! Volunteering opportunities are available at a variety of commitment levels to accommodate varied schedules and availability. We hold monthly meetings in the evening and welcome you to join us at any point in-person or via Zoom. Our meetings are open to all Scott families, you do not have to be a volunteer to attend. For families that are interested in getting involved, but are not sure how, our meetings are a great stepping stone to see where your interests and talents can be utilized.

We are excited for this next school year and hope that you consider joining us at a meeting. We would be happy to answer any questions about Scott Home & School or help you find a volunteer opportunity that fits your needs!
