

Welcome to the Kingsley Home & School Association

Who We Are

As Kingsley parents or guardians, you are all automatically members of the Kingsley Home & School Association. Kingsley Home & School is a nonprofit organization consisting of parent volunteers who work with Kingsley staff to strengthen the Kingsley community and to help ensure the best possible school experience for our children. Each school in the district has its own Home & School Association. There are no membership dues for Kingsley Home & School.

What We Do

We coordinate programs and events that focus on community building, family social events, and/or fundraising. Funds raised are used to enhance the experience at Kingsley for our children – for example, by funding school assemblies or providing grants to teachers to supplement their classrooms.

How to Learn More and Get Involved

Throughout the year, Kingsley Home & School communicates to parents through various media including the weekly Kingsley “Knightly News” emails, the Kingsley school website (www.naperville203.org/kingsley), backpack mail, and newsletters. You can also follow Kingsley Home & School on Facebook (@KingsleyHomeandSchool) and Twitter (@Kingsley_203)!

There are many ways to get involved in the Kingsley school community. Volunteer opportunities include helping out for a few hours at a particular event, coordinating an event or committee, or serving on the Kingsley Home & School Executive Board. Please consider adding your time and talent to the Kingsley community. To learn more, please watch for Kingsley Home & School communications and regularly check the “Volunteer Opportunities” section of the Kingsley website. Thank you for your involvement!

Again, welcome to Kingsley Home & School!
