The grade specific supply lists include items required by all teams in each grade. There might be team specific items that you will need to purchase once school begins. If your student is enrolled in FACS, Art or World Languages, their teachers will send home a list of any additional supplies when the class begins. Also, if any supplies are depleted during the year, you will need to replenish them. If you are purchasing a pack online, science goggles are already included in the 6th grade pack so there is no need to purchase an additional pair.

### Project Idea (PI) / Project Idea Plus (PI+) -

- **All** 6th Grade students need to purchase items under the 6th Grade Supply List. 6th Grade PI+ has the same supply list as general 6th Grade.
- If your student is in 7th PI or 8th PI, you will need to purchase items under the *7th Grade Supply List* or *8th Grade Supply List* according to your student's grade.

**Calculator** - Calculator usage is at the discretion of each mathematics teacher at KJHS. There will be units and assessments throughout the year when calculators will not be utilized; however, when the need for a calculator arises, students should be prepared. Please engrave your child's name into the body of the calculator in case it gets misplaced.

**Consignment Kits** - A limited number of school supply kits will be available for sale during kit distribution. These are available on a first-come, first-served basis. These kits **cannot** be reserved ahead of time through the school office or Home & School.

**Locker Shelves** - These are available for purchase during pick up days in August. The custom-made wooden 2-shelf locker unit fits inside Kennedy's lockers. Standard store-bought shelves may not fit. Only one set is needed per locker.
