

Drop off / Pick up Information

MJHS

Car riders are picked up and dropped off behind the school ONLY. The front entrance is reserved for staff and school buses, and is very dangerous for students to be dropped off in this area. Please drive around the back of the building. Cars must enter from River Oak Street and make a RIGHT TURN ONLY into the lot, and exit by making a RIGHT TURN ONLY, also. Don't worry - safety directors will be out to guide you. Please do not drop your student off in the street as this blocks traffic trying to enter the drop off area correctly.
