

July, 2023

Dear Naper Parent/Guardian,

Welcome to the 2023 - 2024 school year. I am looking forward to the new school year and helping create an exciting and successful school year for you and your children.

In this letter you will find information helpful to have your child ready for the new school year. The 2023-2024 Back To School Update Information can be found on [our website](#) by hovering over the "Our School" tab in the upper right hand corner of the website, or by selecting the "Our School" section from the menu at the top right corner on a mobile device. A link to the page is also available in the news section of our website.

If you ordered a supply packet last spring, it will be on your child's desk on the first day of school. Classroom and teacher assignments for kindergarten through fourth grade will be posted through Infinite Campus on Wednesday, August 9th at 3:00 p.m. Parents will access their child's classroom assignment via the Infinite Campus Parent Portal. Visit the District 203 website (<http://www.Naperville203.org>) and click on the Campus Portal link on the left side. Follow the prompts to create your parent account. If you have difficulty with your account, contact the help desk by email at parentsupport@naperville203.org.

All bus riders will be met by staff members at the start of the school year to guide children to their grade level classrooms. While transportation information can be accessed in the Campus Portal (<http://www.Naperville203.org>) starting on August 9th at 3:00 p.m., please check back frequently, including the day before school starts, as changes can occur in routes and pick-up times. If you need assistance regarding transportation information, call the Transportation Department at 630-420-6464.
