

Dear Steeple Run Families,

On behalf of your Home & School Association Executive Board, welcome to the 2023-2024 school year! We are honored to serve our vibrant school community in an exciting new chapter in its journey. We are especially thrilled to welcome our new principal, Dawn Malatia, and support her efforts in creating a nurturing and stimulating learning environment for our children. She embodies the enthusiasm, warmth, and dedication our Super Stars need to thrive. We anticipate an enriching partnership ahead!

We have so much to celebrate this year. We will enjoy a newly expanded school building that features a brand-new Kindergarten wing, interior design, and playground. Additionally, our former principal, Josh Louis, envisioned the installation of a *Maker Space* to our Learning Commons that would power our Super Stars forward on a STEM-focused path of excellence. Home & School is extremely proud to contribute significantly to this vision with a gift of \$20k - made possible through our 2022-2023 fundraising efforts. All together, these new additions to our school will have a profound impact on generations of students to come - equipping them with the tools they will need to succeed in our rapidly changing world.

Home & School (H&S) is our version of a PTO or PTA. Every parent/guardian of Steeple Run students is automatically a member of the Home & School Association and everyone's involvement is invaluable to the success of our school community. Teamwork is the key! As you may well imagine, all the wonderful experiences we provide to the Steeple Run Community are made possible through the efforts of our parent volunteers.

As your H&S Co-Presidents, Heidi, and I (Nandi) are honored to work alongside a passionate group of administrators, teachers, staff, and parents. We encourage you to volunteer your time and talents in any way that fits your busy schedule. It is a wonderful way to connect with one another and actively contribute to our awesome school spirit. If you have any questions or ideas to share, please do not hesitate to contact us.
