

Welcome to Campus Parent!

The Campus Parent app puts school information at your fingertips with real-time access to announcements, assignments, attendance, grades, schedules, and more!

The Campus Student and Campus Parent apps provide the same tools as the browser version, with the benefit of the option to Stay Logged In and receive push notifications.

1. Download the app from the App Store or Google Play
2. Search for your **District Name** and **State**, entering at least 3 characters of your district's name to search. Select your district from the list.
3. Enter your **Username** and **Password**
4. If using a secure, private device, mark **Stay Logged In** to receive mobile push notifications.
5. Click the blue **Log In** button.

The screenshot shows the login interface for the Infinite Campus app. At the top, the 'Infinite Campus' logo is displayed on a green background. Below the logo, the text 'Naperville Community Unit School District 203' is centered. There are two horizontal lines with 'or' between them, indicating a search or selection area. Below this, there are two input fields: 'Parent Username' and 'Password'. A blue 'Log In' button is positioned below the password field. Underneath the button, there are three links: 'Forgot Password?', 'Forgot Username?', and 'Help'. Below these links is a link that says 'Log in to Campus Student'. At the bottom, there are two more horizontal lines with 'or' between them, and a link that says 'New User?'.
