

VISION AND HEARING

Students are routinely screened for vision in the Early Childhood Program, grades 2 and 8, and for hearing in Early Childhood, K, 1, 2, 3. Students in special education are screened for vision and hearing annually. Students can also be screened by teacher or parent request if a child exhibits symptoms. This is only a screening and does not take the place of an examination by a doctor. **A more comprehensive vision exam can be obtained through an optometrist or ophthalmologist.**
